EXPERIENCE

Research Assistant Oct 2024-Current
Center for Violence Prevention Research, Remote

- Support project managers in executing research protocols and study procedures in violence prevention projects including subject areas of youth with problematic sexual behaviors, child abuse prevention, and general violence prevention
- Manage 100+ surveys, databases, and automations in Qualtrics
- Conduct literature reviews and contribute to development of scientific manuscripts and presentations
- Support community partner relations, oversee day-to-day communication with participants, and data collection
- Assist in disseminating data and findings to non-academic audiences and community partners

Project Coordinator/Research Assistant Jan 2023-June 2024
*Applied Innovative Methods to Prevent Child Maltreatment***,** New York, NY

- Oversaw a team of 4 undergraduate junior research assistants and communication with 9 community partner sites to guarantee data delivery and address questions/concerns
- Assisted in the training of facilitators in a child sexual abuse prevention program for caregivers
- Managed project timeline ensuring quality data is collected following project standards and corresponding documentation
- Contributed to IRB submissions and protocol compliance, scholarly paper publications, data entry through REDCap, and analysis using SPSS
- Monitored implementation of two child sexual abuse prevention programs across Pennsylvania in Child Advocacy Centers and schools

Undergraduate Admissions Ambassador Sept 2021-May 2024
New York University, New York, NY

- Conducted up to 10 weekly campus tours of up to 30 prospective students and their families
- Answered inquiries from prospective students via phone, email, and in-person interactions
- Assisted in the planning and execution of admissions events, such as open houses and admitted students' days
- Worked collaboratively with other ambassadors to ensure a positive experience for all visitors

Youth Services Intern Sept 2022-Dec 2022
The Baytree Centre, London, UK

- Managed youth programming including attendance, lesson planning, and annual program evaluation testing
- Led social and emotional learning groups of up to 10 girls aged 6-14 centered around self-advocacy and life skills
- Organized community events and outreach projects
- Delivered day-to-day administrative support

Girl Scout Camp Counselor June 2022-August 2022

Camp Whispering Winds, Philomath, OR

- Facilitated daily group activities for girls aged 5-16 to build peer relationships and resolving conflicts that arose
- Identified signs of emotional distress and homesickness and provided individualized support
- Collaborated with other counselors and camp staff to address behavioral needs of campers
- Fostered an inclusive environment for youth from diverse backgrounds

Health Educator/Peer Mentor Jan 2022-June 2022

Peer Health Exchange, New York, NY

- Led groups of up to 100 adolescents on the Selfsea platform in various health education subjects
- Taught physical and emotional health workshops virtually in New York City high schools
- Created discussion prompts to encourage conversation and sharing amongst participants

LEADERSHIP ACTIVITIES

Secretary, *Silver Student Government Association*, **New York University** Sept 2023-May 2024
